Other Accessories for Assembly

Application

It is ideal for teachers, students, teens, clerks, children, etc., and can be placed in classrooms, study rooms, utility and equipment rooms, labs, offices, homes, and so on. It can store magazines, books, newspapers, files, folders, student pencils, books, notebooks, and other items.

Notes

1. You can place small foot pads under the desktop bookshelf to avoid scratching the surface.
2. Due to the bamboo materials and workmanship, there are nail eyes, bamboo joints, and different colors of boards. Please make sure that you do not mind before purchasing.
3. The perception of odor varies from person to person. Usually, there will be some odor when you open the package. Ventilation for a while can effectively reduce the odor.
4. Please allow the slight color difference caused by the shooting light and 1-3cm error due to manual measurement, and make sure you do not mind before you order.
