IMPORTANT SAFETY INSTRUCTIONS

Read and follow all of the instructions even if you feel you are familiar with the product, and find a place to keep this manual handy for future reference.

Important: This appliance is intended for use in a domestic environment only. Any other use is not recommended by the manufacturer and may cause fire, electrical shocks or other injury to user or property. When using electrical appliances, basic safety precautions should always be followed:

- Before plugging in the appliance, check that the voltage indicated on the rating label corresponds with the main voltage in your home.
- Do not operate the unit with a damaged cord or plug, after it malfunctions or has been dropped or damaged in any way. Return to an authorised service facility for examination and repair.
- Ensure that the air inlets and outlets are not blocked or covered.
- Do not place the unit too close to curtains or other objects - min 30cm.
- Make sure there are no objects near the unit which can prevent it from oscillating.
- Never insert fingers, pencils or other objects into the unit, and especially not during the operation. Warn your children against these dangers.
- This appliance must not be used by children.
- Cleaning and user maintenance shall not be made by children.
- Keep the appliance and its cord out of reach of children.
- Children shall not play with the appliance.
- Appliances cannot be used by persons with reduced physical, sensory or mental capabilities or lack of experience and knowledge.
- Unplug the unit from the socket when not in use. Do not pull on the cord.

- Do not use the unit near a bath, shower, swimming pool or anywhere it could be splashed with water.
- Do not expose the unit to direct sunlight.
- Do not immerse the appliance or the electrical cord or plug in any type of liquid.
- Do not use the appliance near a source of heat.
- Do not use the unit near flammable or explosive gases.
- Before cleaning the unit, switch it off and unplug the power cord.
- Do not leave the unit unattended during operation. Always unplug the power cord when not in use.
- To repair the unit, take it to a qualified service engineer. Repairs carried out by unqualified people may cause damage to the unit or injury to persons or property and void the warranty.

DISPOSAL INFORMATION

The European Directive 2012/19/EU on Waste Electrical and Electronic Equipment (WEEE), requires that old household electrical appliances must not be disposed of in normal unsorted municipal waste.

Old appliances must be collected separately in order to optimise the recovery and recycling of the materials they contain and reduce the impact on human health and the environment.

The crossed out “wheeled bin” symbol on the product reminds you of your obligation, that when you dispose of the appliance it must be separately collected. Consumers should contact their local authority or retailer for information concerning the correct disposal of their old appliance.

Igenix Warranty Terms & Conditions

This product is guaranteed for a period of 12 months as standard from the date of purchase against mechanical and electrical defects. You can extend your warranty for a further 12 months by registering your product.

Upon registration we will cover your product for a period of 24 months from the original purchase date against any mechanical or electrical defects.

To qualify for the guarantee, the product must be used for domestic household use only and in accordance with the instructions in the user manual. Any misuse of the product will result in the warranty being void.

The guarantee does not cover accidental damage, misuse, neglect, tampering or incorrect adjustment or installation.

The guarantee will be rendered invalid if the product is resold, has had its serial number removed (or has an invalid serial number), or if an unauthorised person has carried out any repairs or alterations.

The warranty does not cover accessories or consumable parts that require replacement under normal use. This includes shelving, dials, filters, belts and trays etc.

In the unlikely event of a breakdown please refer to the Troubleshooting guide in your user manual and check all plugs, fuses and the electricity supply.

If you still require assistance please contact our Customer Service department on **01473 271 272** or write to us at the following address:

**Customer Service Department
