## Wind Tunnel Fan with Remote Control A20700

The Lasko 20" Wind Tunnel lets you enjoy a powerful cool breeze in every room. This high performance electric fan offers 3 optional speeds and a full-range pivoting head so you can set it to the speed and angle you desire. Place it directly in front of air conditioning vent to quickly circulate air and boost your chill factor. You can operate the fan from a distance without leaving your couch, using the remote control.
