People Required to Assemble

Tools Required

No Extra Tools Required

### PREPARE YOUR SPACE

Remove any items from the floor area where you will be assembling the stool. Make sure the floor is clean and dry. If the floor is uneven, use a level to check the surface.

When you finish assembling the stool, please check the stability of the stool. If the stool is not stable, please contact our customer service team. We will be happy to help you. Thank you for choosing our product.

## **GENERAL CARE & MAINTENANCE**

We advise that when cleaning the product that a damp cloth is used.

Avoid the use of all household cleaners and abrasive.

Never push or drag the furniture.

Never attempt to move the furniture when fully loaded.

We advise that periodically all fixings are re-tightened.
