Overview

Table top (A)

FRONT FACING

This Table has multiple parts and may require up to 30 minutes to assemble. To give you an overview of the Table, the above picture is to help you put the various parts into perspective. Please read through the instructions below to familiarise yourself with the parts and steps before assembly.

Step 1

Unpack and place all parts on a clean, non-marring surface.

Step 2

Place the Table Top(A) facing down on the non-marring surface.
Attach the Leg(B) into the Table Top(A) using Bolt(①), Flat(②) and Allen Wrench(③) to assemble.
Repeat the same process for three remaining Legs(B).
Do not fully tighten the Bolts.

Step 3

Stand the Table up, with assistance from your adult partner.

Exert pressure floorwards, onto the Table with both your hands.

This pressure will help the Legs and Table Top reach full alignment status.

Check for wobbles on a LEVEL surface.

If no wobbles are found proceed to tighten the Bolts in a sequential manner, until evenly secured.

When tightening the Bolts tighten sequentially.

Do not tighten any Bolt fully and then move on towards the next one.

If there are still wobbles, loosen the Bolts and execute the same above process.

Your Table is ready for use.

This Table can only be used on the flat, level surface.
