(Ø3.5*14)

F. Shelf nails: 16pcs

G. Hook: 2pcs

H. Door hinge: 4 sets

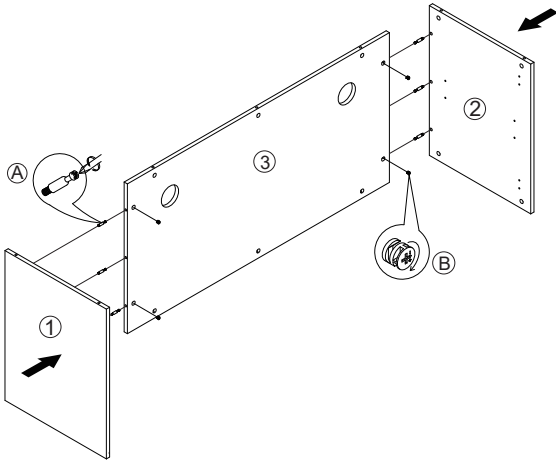

I. Door handle: 2pcs

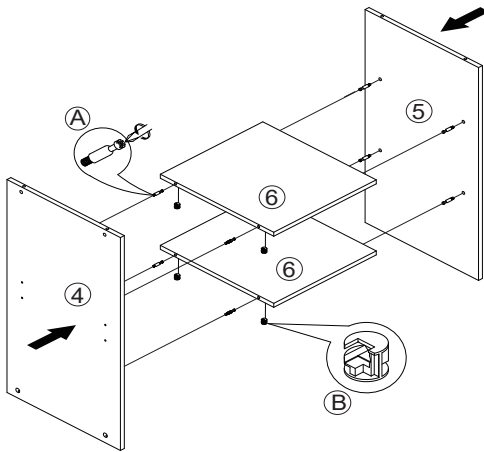

J. Handle screw: 2pcs
(Ø3.8*22)

3. Installation Instructions

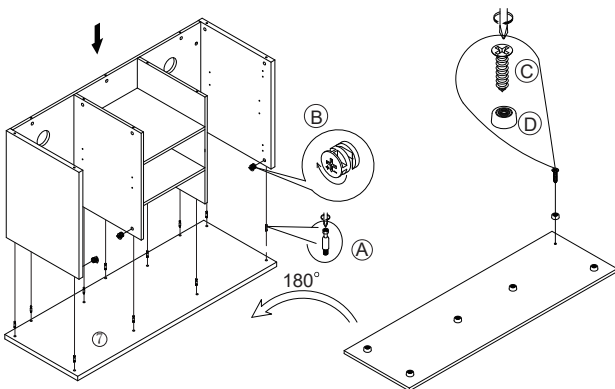

1. Take the left side board (①) and the right side board (②) and screw the locking rods (A*6 pcs) into the holes separately. Take the back board (③) and place it on the ground in a vertical direction. Then connect it with the left and right board as shown in the figure below, and then use the locks (B*6 pcs) to lock them (Note: the cross heads of the locks need to face the position of the lock rod)

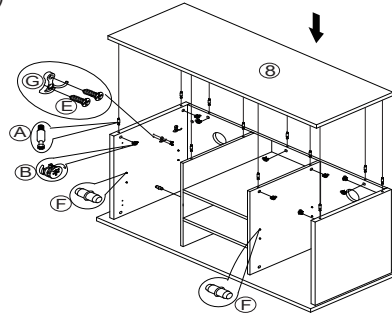

2. Screw the locking rods (A*8pcs) into the left middle board (④) and right middle board (⑤). Take the divider board (⑥) and connect it according to the picture, and then use the lock (B) *8 pcs) to lock tightly (Note: the cross head of the lock should be facing the position of the lock lever).

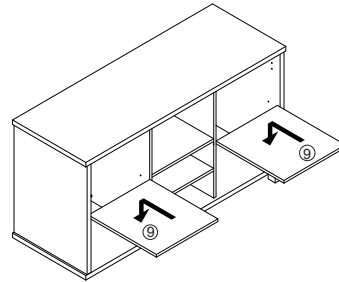

3. Take the bottom board (⑦) and fix the foot pads (D*6 pcs) with screws (C*6 pcs) on the reverse side, then turn it back to the front, and screw into it separately. Then put the bottom board on the ground, use the parts combined in the front to join with the bottom board in sequence according to the figure, and then lock it with the locks (B*11 pcs). (Note: the cross head of the lock should face the position of the lock lever).

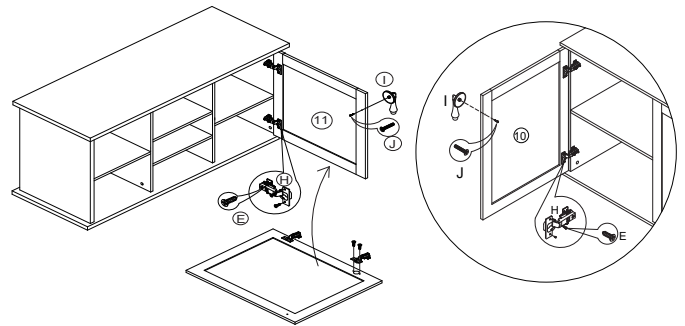

4. Take the hook accessories (G* 2pcs) and fix them on the lead holes of the left board with screws (E*4pcs) (as shown in the figure). Take the divider nail accessories (F*16pcs) and fix them in the shelf holes, screw the locking rods (A*11) into the board (⑧), and lock them with the locks (B*11pcs). (Note: the lock's cross head needs to face the position of the lock lever)

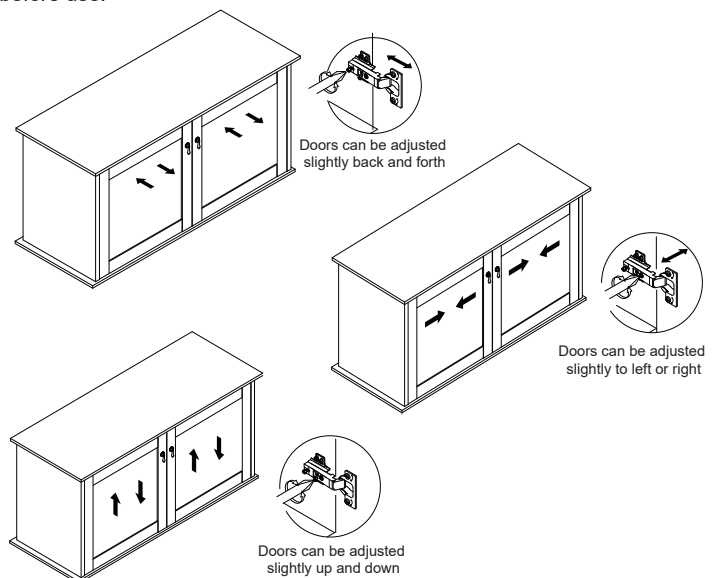

5. The inner divider board can be adjustable according to the actual needs.(⑨)

6. Take the left door (⑩) and the right door (11) and place them on the ground horizontally, firstly fix the door hinges (H*4 sets) with screws (E*24 pcs) on the left and right door as shown in the figure. Then fix the door on the left and right side board (note: the two guide holes on the side board correspond to the two holes in the front row of the hinge base), and fix the door handles (I*2pcs) with handle screws (J*2pcs).

7. The assembled door can be adjustable according to the actual situation before use.

4. Safety and Maintenance

This product is not suitable for children to play with as a toy.
This product is for indoor use only, do not install or store it outdoors.
