JULIAN CHICHESTER

Tribeca Side Table

An Art Deco inspired round table with three curved legs, which sit flush with both the top and base. The Tribeca is offered in three finishes: Faux Shagreen Brown with Polished Nickel, Dover White Faux Shagreen with Aged Brass, or Bleached Aged Oak.

A Spot Table is also available in the Tribeca Collection.

Nickel and Brass are hand-applied finishes which are applied and beaten by hand. As a result, the finish is unique in both appearance and texture.
