Tools provided by yourself.

1. Attach the two brackets to the top shelf and bottom shelf.

2. Mark the 6 drill holes on a paper. You could also place the rack against the wall and use it as a template to mark drill holes.

3. Paste the paper on the wall where you'd like to install, drill 6 holes based on the marked position. Press the 6 anchors and insert the 4 screws on the bottom. Tighten until 3/4 depth.

4. Hang the rack by 4 screws on the bottom.

5. Insert the 2 screws on the top and fully tighten the 6 screws.
