## CLEANING AND SANITIZATION

We all have a responsibility to care for and protect the beauty of our world as well as our health and wellness. When selecting a cleaner, making the right choice for your business and protecting the health and safety of the community is more important than ever. With the onset of Covid-19 many new cleaning products entered the commercial market that were hazardous to our health and corrosive to your furniture and equipment.

In effort to protect the health and safety our clients, and the environment we've provided our recommended list of commercial cleaners and sanitizers that kill 99% of the bacteria, and are safe for you, our surfaces, and our planet. **Use of non recommended cleaners will void the warranty.**

### SAFE CLEANING OPTIONS

# WARRANTY

All merchandise is manufactured in accordance with our high industrial and design standards and is warranted to be free from defects of material and workmanship for a period of (1) one year from the date of delivery or placement in storage. This warranty covers goods under normal use and in service under conditions for which the material is designed.

The obligation of Studio Wise during this warranty period is limited to repair or replacement at our option. This warranty becomes null and void on any goods repaired or altered by any person not authorized by Studio Wise; or any merchandise which has been subject to misuse, improper storage, including placing chairs seat down on tables, negligence, or accident. Studio Wise makes no other warranties either expressed or implied as to any matter whatsoever, including without limitation, the condition of the merchandise, its merchantability, or its fitness for any particular user or purpose.

All claims must be sent to [sales@studiowisedesign.com](mailto:sales@studiowisedesign.com), and will be processed by the Customer Service Department. All returns must be authorized in writing by Studio Wise prior to return. Merchandise authorized for return and subsequent repair or replacement shall be removed from service. All shipping, packaging, and installation charges shall be at the expense of the customer. Since the furniture is installed and used under a variety of conditions, users are required to make inspections every six months to look for but are not limited to, the tightening of bolts and fasteners, and the lubrication of mechanisms. Failure to properly maintain Studio Wise products will void this warranty. Studio Wise will not be liable for the loss of time, inconvenience, commercial loss, or incidental or consequential damages that may result from a warranty claim.
