The Lines Between 2

D2198S43945-3543

The Lines Between II is a series of six works on paper that recall the early work of American Abstract painter Adolph Gottlieb.

This series features biomorphic forms, abstract symbols, and dream-like landscapes that reflect an inner psyche. This work features organic shapes that give the impression of being immersed in a field of muted cobalt-blue flowers. Drawing from the natural beauty of the world, The Lines Between 2 evokes a feeling of serenity in a neutral palette and abstract presentation. An original addition to the exclusive ART by TA Collection.
