

LED Multifunctional Portable Work Light

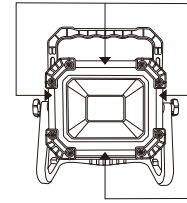

Thank you very much for purchasing the product from GRODIAL. To ensure a perfect experience, please carefully read the user manual for installation and adjustment before setting up the product.

Specifications

Model	FLC080
Power	80W
Input Voltage	AC230V/50Hz / AC120V/60Hz
Color Temperature	6500K / 5000K
Lighting Angle	120°
Wire Length	3.5M
Waterproof Rating	IP65
Material	PC/Aluminum
Ta	-25°C-40°C

* ON/OFF Switch for Cycling Between Three Power Levels: 80W-50W-30W

Safe Usage

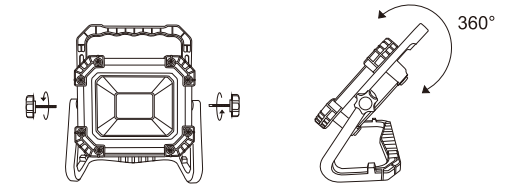

Do not touch the exposed aluminum when the light is on

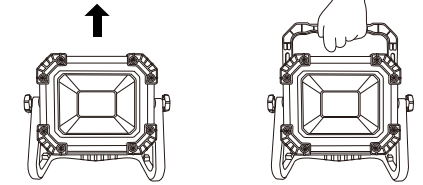

- 1> Please check if the power voltage matches the voltage indicated on the light fixture label before use.
- 2> Please avoid touching the aluminum heat sink to prevent burns during the operation of the light fixture and within 15 minutes after turning it off.
- 3> IP65 waterproof rating is designed for rain resistance. The product should not be submerged in water, as it carries the risk of electric leakage.

Detailed structural diagram of the product.

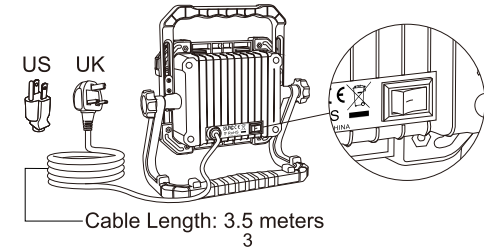

1. Installation Diagram for Base Stand

2. Telescopic Diagram for Handheld Stand

3. Equipped with Plug and Switch

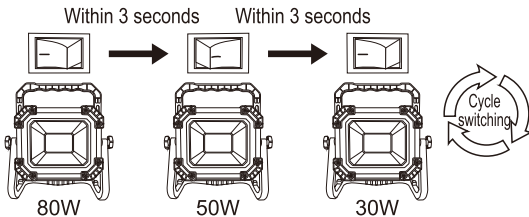

Power Switch (On-Off, Power Level Cycling)

1> Press ON to OFF within 3 seconds to cycle through power levels, alternating between 80W-50W-30W.

2> Memory Function: If the light is turned on again after being off for more than 10 seconds, the light power will be the same as the status before it was turned off.

Warning

1> The LED module is non-replaceable. If damaged or at the end of its lifespan, the entire fixture needs replacement.

- 2> If the wires are damaged or broken, the fixture should not be used further and must be discarded.
- 3> If the casing is cracked or if water enters, the fixture should not be used further and must be discarded.
- 4> Avoid staring at the LED emitting surface at close range for an extended period to prevent eye damage.
- 5> Under no circumstances should the fixture be covered by insulating pads or similar materials.

Two years warranty after purchase. For any inquiries about this product, please contact E-mail: serviceyrt@gmail.com customer service. We will get in touch with you promptly and address any issues related to the product.
