

Installation Steps:

A: Pass the power cable from the lamp cap tube (12) through the hole corresponding to the lampshade (11) nut (10) flat cap(9) chain (8) canopy(6), and connect these components tightly.

B: Fasten the mounting plate (2) to the junction box with screws (3).

C: Connect the lamp body power cable (4) to the external power cable using a wiring cap (1), secure the ground cable (5) with a green screw, and then connect the wiring cap (1) to the external ground cable.

D: Fix the canopy (6) on the mounting plate (2) with screws (7).

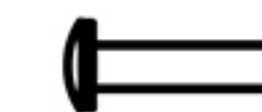

E: Install the bulb (not included) (13) on the lamp holder (14).

Accessories:

2:Mounting Plate*1

3:Mounting Screw*2

7:Mounting Screw*2

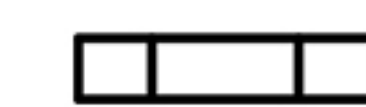

1:Wiring cap*3

9:flat cap*1

10:nut*1

11:Lamp Shade*1

Notice: This light fixture should be installed in accordance with all applicable, local installation codes, and by a person familiar with the construction and operation of it, as well as the hazards involved. Inspect items and contents carefully. If any damage or defect is found, do not install it.
