How to instal Components

*Before starting, please check the below figures

HEAD

SCREW

DOWEL

If the dowel is not required during the installation phase, it is not included in the package.

*Please notice that there is an small arrow on A03 (head). This arrow should show the direction of upper hole.

*After attaching two pieces please turn the A03 (head). clockwise direction with the help of a screwdriver.

*Please do not over screw the minifix head since it may be broken if too much power is imposed. Just make sure that it is screwed to the direction “+” do not go any further.
