1. Castor wheels to base installation

2. Post assembly to base installation

3. Install telescopic mounting poles

Step 1. Use thumb or finger to depress the right upper pole spring plunger ball. Located at the cable window, twist and pull upper pole upward until your desired height. Shown in fig-1 twist upper pole toward the plunger holes direction and engage the spring ball into the plunger hole and set as shown in fig-2.

Step 2. Repeat step 1 for left pole

4. AV shelf assembly and installation

5. Installation of interface

6. Selection of TV mounting patterns

7. Mounting TV on pole interface

8. Cables and wires installtion

9. Product specifications
