Mattress Care

1. After the vacuum compression was opened, the mattress was slightly wrinkled, and the unevenness was normal.
2. Please do not place the mattress in an ultraviolet or high-temperature environment. A high temperature will soften the inner foam and affect the rebound.
3. Our mattress has been certified by CertiPUR-US, like any new product, The mattress may have a mild scent upon unboxing. The scent is nontoxic and will typically dissipate within 24 hours.
4. Do not use cleaning fluids on your mattress, it may damage some of the materials.
5. Do not remove or discard the model name label. These labels serve as a means of identification to establish your warranty rights. If you choose to remove the labels, keep them in a safe place.
6. **DO NOT SMOKE IN BED OR USE OPEN FLAMES** (e.g. candles, lighters, matches) **ON OR NEAR YOUR BED**. Although your new Our mattress meets the requirements of the Federal Flammability Standard, 16 CFR 1633, when it is used alone or with the foundation(s) specified on the 16 CFR 1633 law tag attached to your mattress, it is not fire-proof. In addition, sheets, blankets, and other bedding can ignite and burn rapidly when exposed to open flames.
