

Product Warranty Information

Thank you for choosing our product! We strive to bring the best home and garden decor products for our customer from across the world. Our exclusive designs and systematic approach to make your home a wonderland for you! In the event that we have not achieved our usual standard of excellence, we will repair or replace, at our discretion, within the warranty period. A valid proof of purchase, with the purchase date clearly indicated, must be provided. Photos of defective merchandise will also be required to help distinguish the actual cause of the defect. Please read below for a detailed description of warranty coverage.

- **Procedure/Service**

Should a warranty/claim be needed, you should contact the retailer from whom you purchased the product. If that is not an option, you can contact [us](#). When contacting us, you must be prepared to show PO#, PO Date, and buyer name, proof of purchase, provide photographs and any other information needed to validate your claim. This may be necessary to distinguish between a partial or complete replacement of a defective product.

The warranty does not cover any items with multiple parts; the warranty will **ONLY** cover the individual component of the unit/item that may be defective. Replacement parts can be made available to a consumer through the original selling party, or an approved parts retailer. If this is not an option, contact our customer service department. Item is covered under one year limited warranty from the date of purchase. If your purchase was after our 30-day grace period, payment information will be requested for shipping charges.

- **Damage Claim Instructions**

- ⚠ **Do not discard the box / original packaging.**
The item must be returned in the original box, otherwise your return will not be accepted.
- ⚠ **Take a photo of the box markings.**
In case a part is needed for replacement, a photo of the markings (text) on the box is required to identify the item number and ensure you receive the correct parts.
- ⚠ **Take a photo of the damaged part if (applicable).**
A photo of the damage is always required to file a claim and get your replacement of refund processed quickly, Please make sure you have the box even if it is damaged.
- ⚠ **Send us an email with the Images required.**
Email us directly from marketplace where your item was purchased with the attached images and a description of your claim.

- **Not Covered Under Warranty**

The limited warranty will **NOT** cover cases of damages due to

1. Inadequate care and/or neglect
2. Environmental and/or natural elements
3. Improper Installation/use and/or Maintenance

This warranty also does not cover any additional charges or installation, removal, disposal and/or shipping costs or consequential damage associated with any warranty claim.

Owner's Manual

Before you start

- Please read this instruction before use of this product.
- Separate and count all parts and hardware. If any parts are missing do not attempt to use the product until they have been obtained and correctly installed.
- Read through each step carefully and follow the proper order.
- Place the product on a level surface, near to the area where it is likely to be placed in use.
- Keep pets, babies and children away from all small parts and components of this product as they potentially pose a serious choking hazard.
- Please keep this instruction manual for future reference.

Product assembly

NOTE:

Carefully remove all parts from box and remove protective wrapping. In order to let you assemble more easy, please only match caps on screws firstly, let caps loosely, make sure don't tighten them before match all parts.

- 1 Find out two Part A and two Part B, assemble Part A onto bottom middle of Part B with nuts by hand.
- 2 Find out one piece of Part C. Assemble it onto one side of Part B with screws and nuts by hand.
- 3 Find out second piece of Part C, let screws go through Part B and Part C as picture show.
- 4 Find out another piece of Part B, assemble it onto second Part C with nuts by hand.
- 5 Find out third Part C, assemble it onto another side of second Part B with screws and nuts by hand.
- 6 Find out first piece of Part D, put it between back of two Part C, then assemble the left side with screws and nuts by hand.
- 7 Find out another piece of Part D, put it between another back of two Part C, then assemble the middle and right side with screws and nuts by hand.
- 8 Tighten all screws by wrench, make sure that assembly is secure.
