1 x Lampshade

1 x A19 Led Bulb

1 x Lamp

1 x User Manual

2 x Metal rings

■ Attention

1. If you want to change the 2700K vintage Led bulb included, incandescent light bulbs less than 60W are greatly recommended. Not all Led bulbs are fully compatible with the dimmer system of the lamp, so it may cause to flicker or lose dimming function with other Led bulbs.
2. The bulb will increase the brightness when it is reaching its lifespan or has partial short-circuit. At that moment, please switch off, change a bulb and use it as you would normally.
3. The total current of two usb charging ports is 2.1A. If two devices are charged at the same time, the current will be distributed.
4. Please shut off the power and unplug it before you screw in a new bulb.
5. Don't put the lamp in overheating working condition or cast it into fire.
