

THE DINING COLLECTION

DINING COLLECTION:

This Dining Collection transforms any backyard into an elegant outdoor dining area with its superior quality and deep-comfort design.

This series includes an assortment of dining table options, offered in various shapes and sizes that cater to your style, desired seat quantity and outdoor space. Each piece is constructed with durable aluminum frames and polished with a protective bronze coating that repels all moisture and weathering harm. Ornate, open-cast accents swirl across the top of each cast-top table and chair, creating an elegant display of craftsmanship throughout the entire collection.

Swivel-action rockers are available as an alternate option to the traditional dining chair. These rockers perform a smooth, 360-degree spin and gentle rocking motion throughout the meal. Plush seat cushions are provided with each chair and offer additional comfort as you entertain your guests.
