

# ENDURA REACH COMPACT UPRIGHT

UD20124

The Endura™ Reach is packed with powerful suction to tackle dirt anywhere in your home with its improved Endura™ Filtration System. A compact design with a quick-release wand gives you 10ft of extra cleaning reach making it easy to clean any mess, while the multi-floor brush roll cuts through dirt on carpet and hard floors. Enjoy the convenience of the easy-empty dirt cup which gets rid of the dirt with one touch of a button and reach any corner with the 2-in-1 dusting brush and crevice tool.

- Patented Endura™ Cyclonic System delivers certified "No Loss Of Suction" performance
- Quick release extension wand, dusting brush and crevice tool included
- Easy empty dirt container with anti-hair wrap design
