Important

Prior to assembly, it is important to choose the location of the umbrella.

- We recommend a **two-person team** for assembly and disassembly.
- Allow **ample height** to avoid damage to your umbrella during assembly and usage.
- Choose a location that is **level and sturdy**.
- Consider a location that will maximize the umbrella's rotating swivel function. Placing the umbrella **between two entertaining areas** is ideal.
- To avoid personal injury or damage to the umbrella, make sure the **area** around you is **clear** from any outdoor structure or furniture.
- **Keep all the flame and heat sources away** from this umbrella.

STORAGE: Properly store the umbrella when not in use. Close the umbrella, fasten the strap around the canopy and cover the umbrella with a protective cover.

NOTE: DO NOT discard any packaging or box until assembly is complete.

CAUTION:

Moving the umbrella when it is fully open will increase the risk of damage to your umbrella or will cause serious injury.

ATTENTION:

Please remove the protective film prior to use
