## Celadon Haze 2

D2782S55636-4691

Celadon Haze 2 evokes the playful spirit of Cy Twombly's mid-1950s pieces. Drawing inspiration from Twombly's iconic approach, the artwork displays hand-drawn marks, enchanting doodles, and a distinctive sweeping brush stroke in the middle of the work. The piece offers a lyrical beauty complemented by a nuanced palette blending warm beige, champagne, and vanilla with accents of burnt orange. A mesmerizing work of art on canvas, Celadon Haze 2 is a stunning addition to ART by TA. Pairs beautifully with Celadon Haze 1.
