

## HANSON BENCH

4890  
Natural Linen  
H: 18.5 IN  
W: 59 IN  
D: 20 IN

The Hanson balances an aesthetic that is both contemporary and cavalier. Crafted with equestrian inspiration, the textured natural iron base is stirrup-like in structure and perfectly seats a natural linen pill-shaped cushion. A simple seating solution for an entryway or as a transitional piece at the end of a hallway. Finish will vary.
