Appearance

Chenille fabric. Exceptionally soft,fluffy,and skin-friendly to the touch with a plush surface.lt provides both visual and tactile warmth, significantly enhancing the product's coziness and comfort.

Structure

Composite filling of foam and spring package. High-density foam provides immediate softness and asinking-in feel; independent springs ensure firm,deep support and resilience against sagging,offering a plush and long-lasting comfortable seat.

Material

Ergonomic design for comfortable support. The heightened and thickened backrest fully supports the back and shoulders;the well-proportioned armrests provideanatural place for the arms; the plump seat cushion effectively disperses hip pressure, promoting a relaxed sitting posture.

Design Details

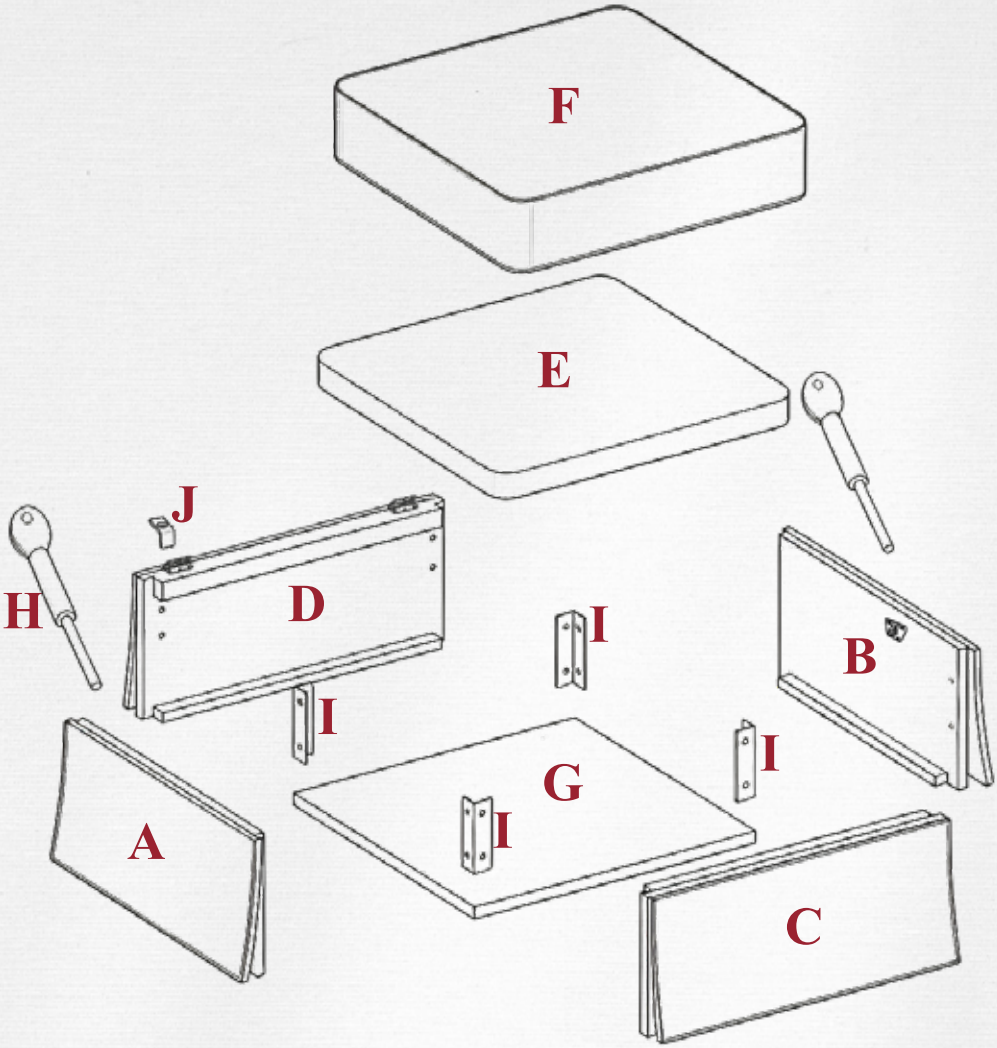

Multi-functional armchair with ottoman set for home use. The armchair comes in swivel version(S)and versionwith silent casters(W).Featuresaplump, rounded silhouette.The skirtedbottom addsvisual layersand atouch ofvintagecharm,presenting an overallcozy and modern style.

Applicable Space

Solid wood frame.A sturdy internal wood frame ensures overall structural stability,high load-bearing capacity, and long-term durability.

STEP1

Cut the plastic air compression bags, and take out the cushion (F). Let it recover to its original shape, the whole recovery process might take 48 hours, you may gently slap on it to speed up the process.

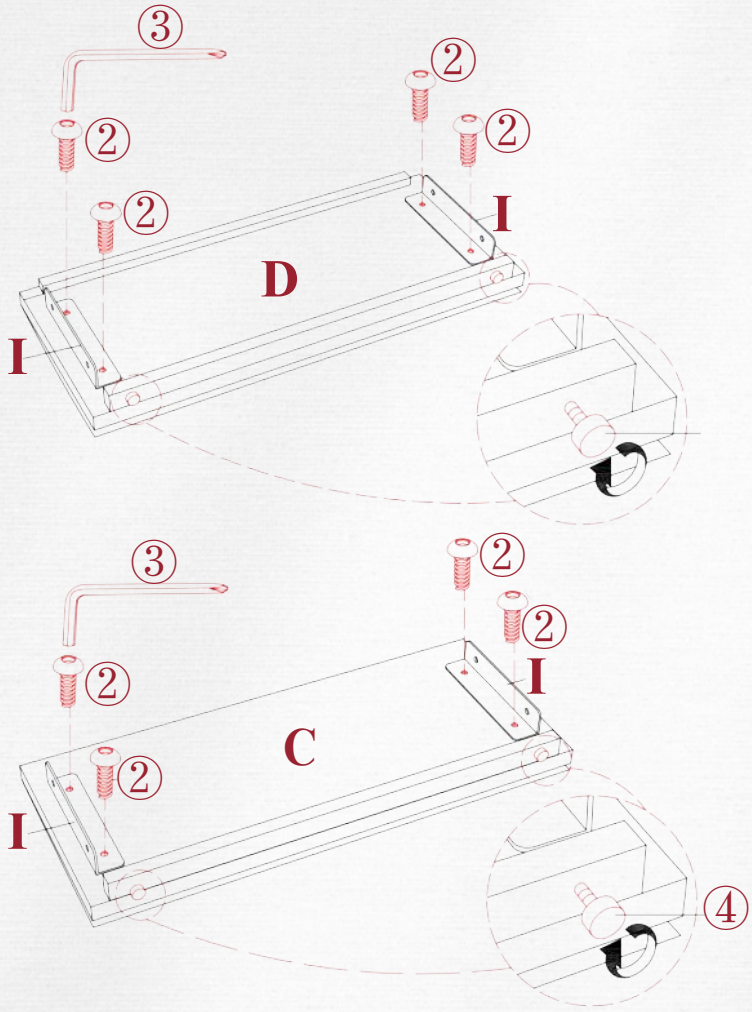

Please exercise caution when opening the packaging to avoid injury or damage to the product.

F

STEP2

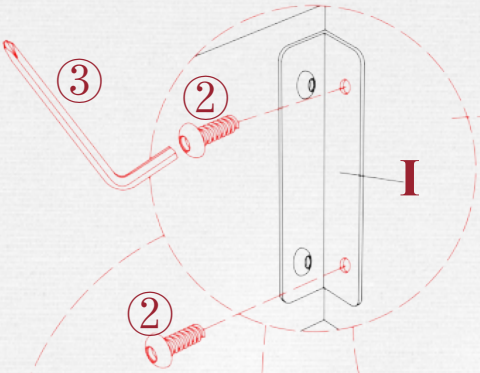

Use screws (2) and the wrench (3) to attach the large corner irons (I) to the front panel (C) and back panel (D). Then, screw the adjustable feet (4) into the bottom.

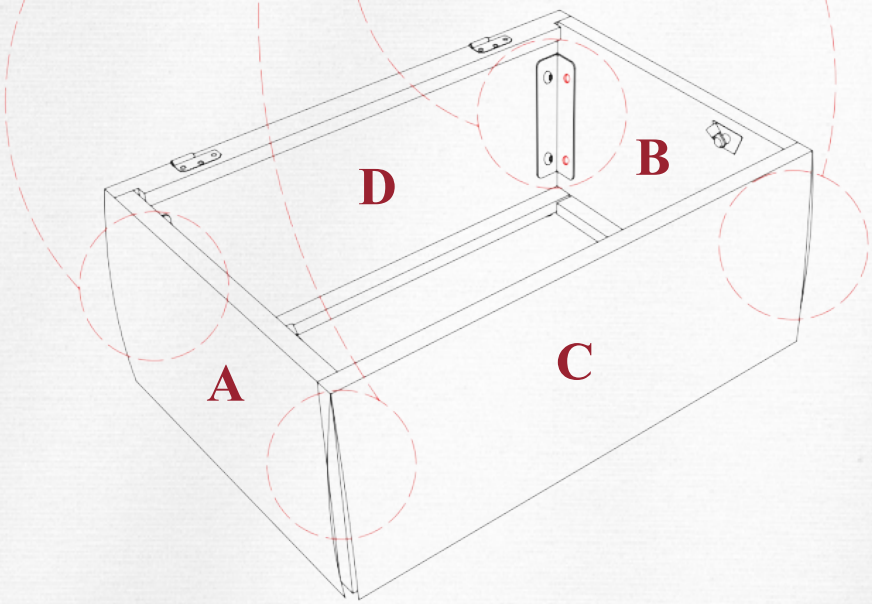

STEP3

As shown in the image, connect the side panels (A & B) to the corner irons (I).

Note: Please install the side panels exactly the direction as shown. Reversing them may stop the top panel from fitting properly.

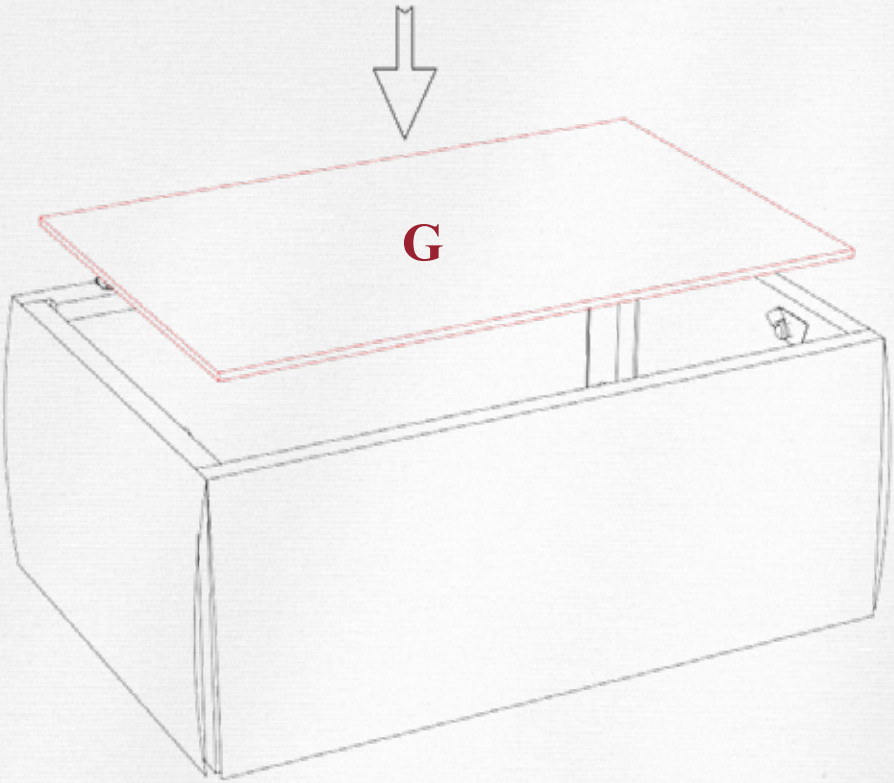

Please exercise caution when opening the packaging to avoid injury or damage to the product.

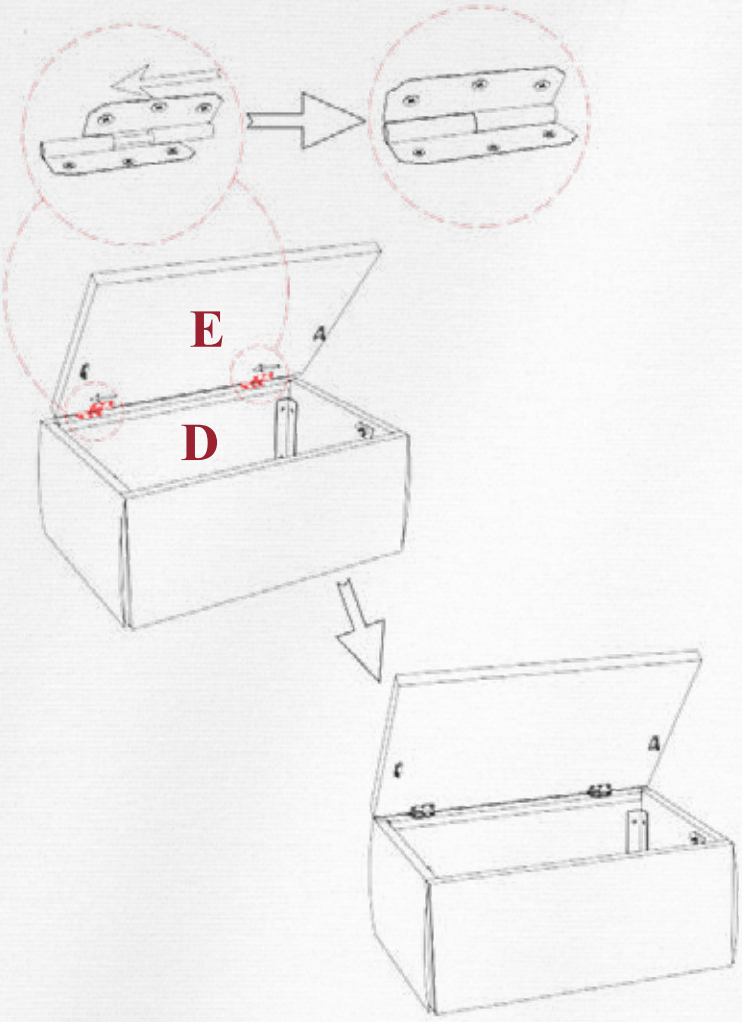

STEP4

As shown in the image, place the bottom board (G) into the assembled frame.

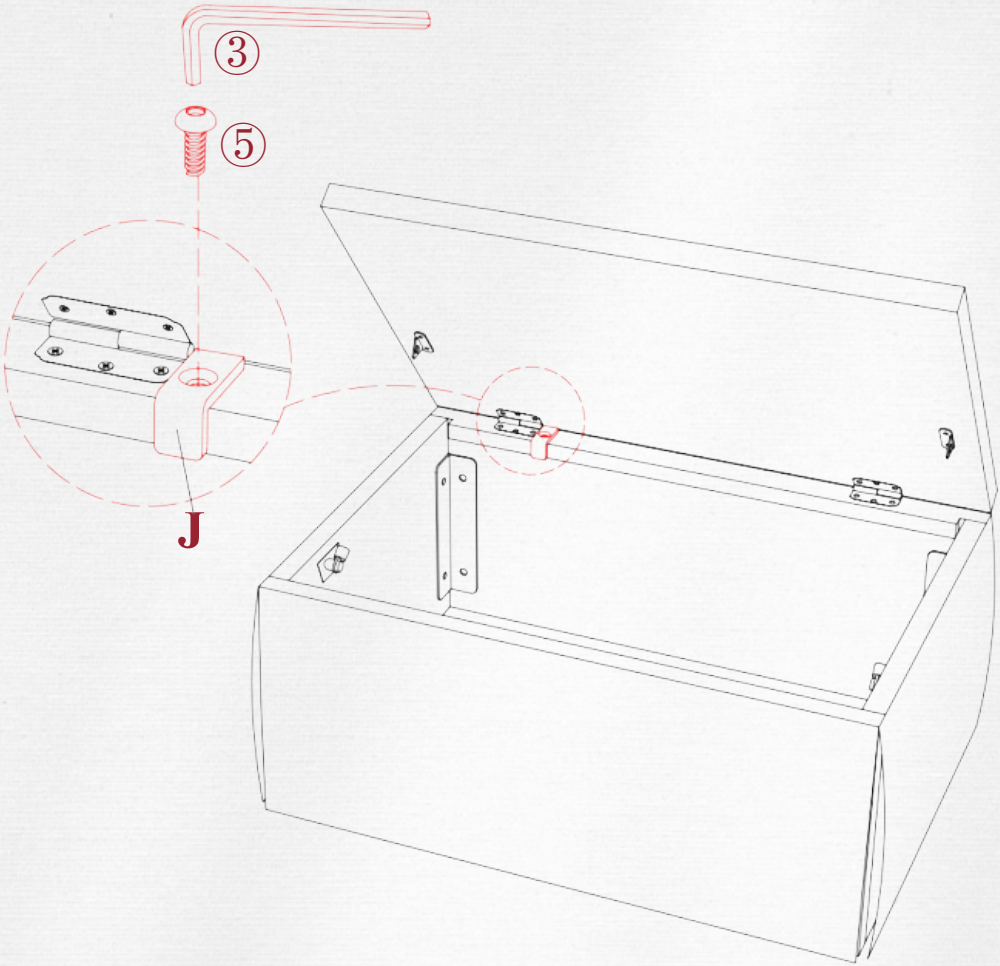

STEP5

As shown in the image, insert the lid (E) into the hinges on the back panel (D).

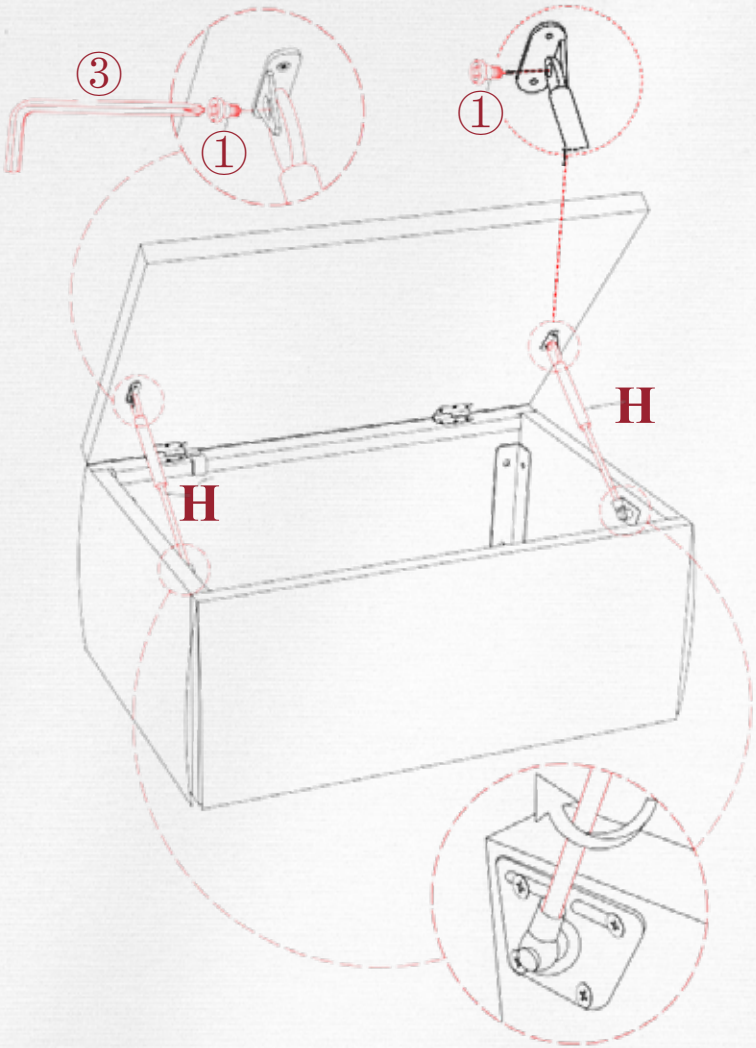

STEP6

As shown in the image, install the small corner iron (J) using screw (5) and the wrench (3).

STEP7

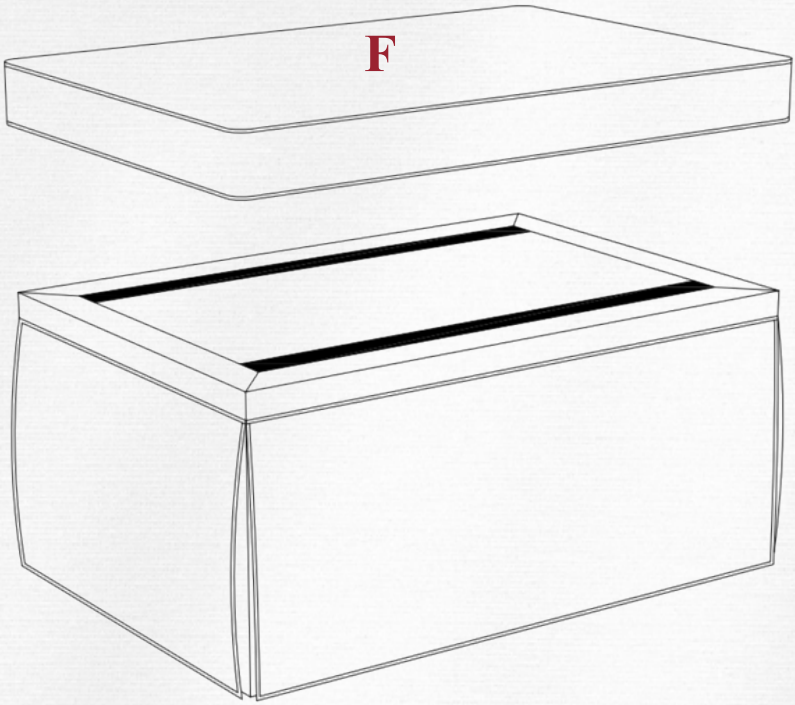

As shown in the image, install the gas struts (H) using screws (1) and the wrench (3).

STEP 8

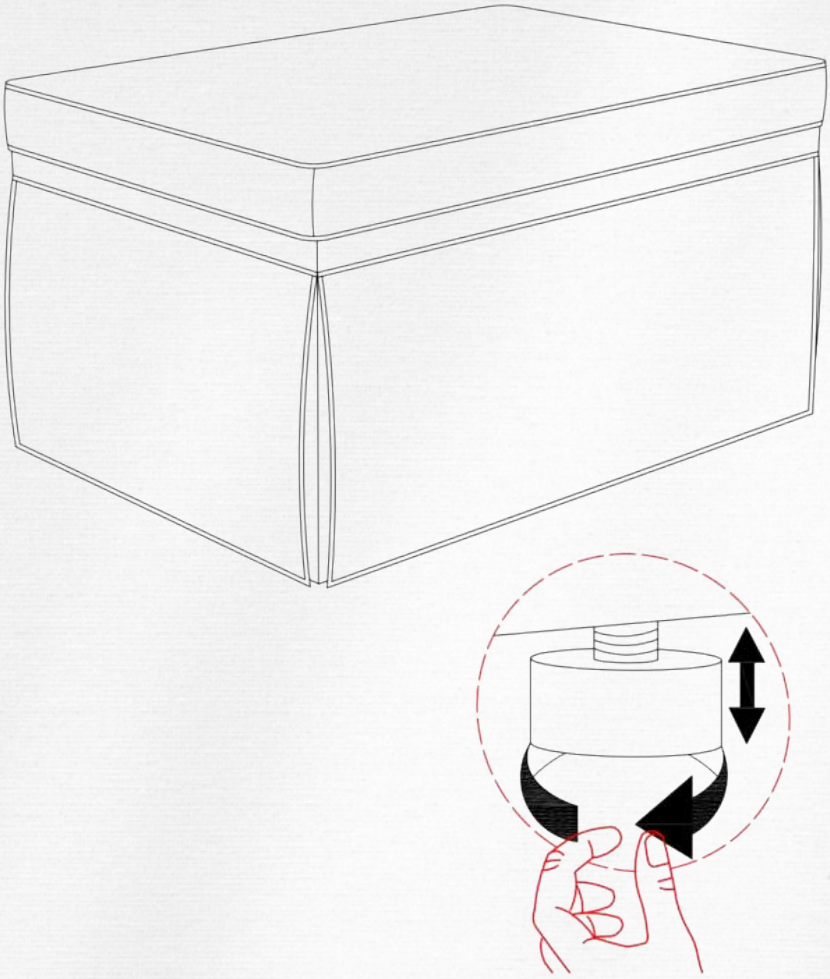

As shown in the image, place the cushion (F) on top of the ottoman.

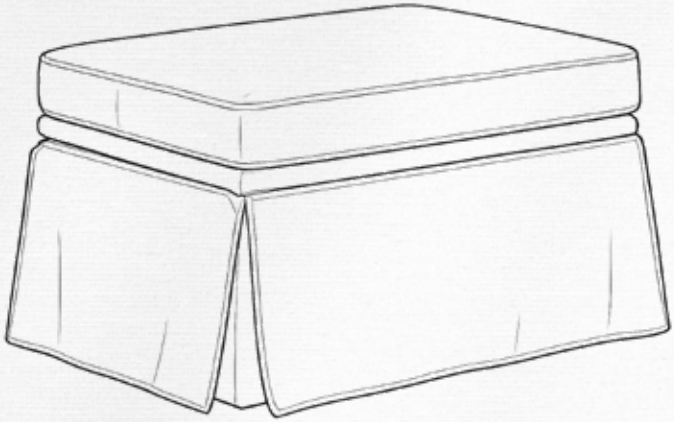

STEP9

Please note: the legs of the Ottoman can be adjusted by twisting the leveler on the tip of the legs as shown, it can help you use this chair on ground that is not flat, please check before you use the chair.

STEP10

Congratulations! The assembly has complete! Thank you again for choosing our product, please enjoy!
