

STRGE-TWR

Use the sliding storage tower as a space saver in the bathroom, laundry room, kitchen or anyplace where you need extra storage. This unit easily slides between cabinets, appliances and bookcases and measures 21"L x 5"W x 28"H. Each shelf is 4.5"W x 19"L and there is 12" of space from the bottom of one shelf to the top of the next. Perfect for small spaces where storage is at a premium. Easy assembly required. By Trademark Innovations.

How to Use:

- Assemble pieces using included instructions
- Roll unit easily between cabinets and appliances
- Wipe clean with damp cloth to clean
