IMPORTANT SAFETY INFORMATION

Please carefully read the instructions and caution warnings below before assembling the product. Following this guide will ensure that you install, use and maintain the product properly.

- Please keep this installation and user manual/instructions for future reference in case you need to assemble the product.
Do not assemble if you notice serious damage such as cracks or bends.
During installation, please use work gloves for hand safety.
Please assemble the unit on carpeted floor or the flat cardboard box to avoid scratching the surface or your floor while assembling on the floor.
To assemble, please use the complimentary installation tools (Allen Wrench). Pay more attention to the direction of components at each steps.
It is recommended that two people work together to assemble the product.
Please do not tighten the screws up too much, just to 80% before you finish to make the installation go on successfully.
