Hidden Truth 1

D2200S44011-3554

Hidden Truth II is an accomplished work reminiscent of Robert Rauschenberg's early work of the 1950s. Rauschenberg's work features found objects and collages among other non-traditional items. This quiet work relies on a subtle color scheme that includes cream, oatmeal, and navy blue. In a nod to Rauschenberg, bits of newsprint have been collaged onto the canvas.

A pleasing blend of neutral tones and abstract forms, Hidden Truth 2 is an original and exclusive work of art for ART by TA.
