Capacity	45 gallons
Max insert	14.5" × 14.5" × 30" H

In the box

A

Storage Bin
1 pc

B

Lid
1 pc

ASSEMBLY

01 **Unpack & check**

Remove the bin (A) and lid (B) from the packaging.

02 **Choose a spot**

Set the bin on a firm, level surface — a porch, patio, or beside the driveway.

03 **Load with care**

Store sand or salt in its original packaging or an insert receptacle (up to 14.5" × 14.5" × 30" H). Never pour it in loose — it can bow the walls.

04 **Snap on the lid**

Align the lid (B) with the top of the bin and press down until it snaps into place for a secure fit.
