Care Instructions for Chenille Furniture:

- In order to maintain the original appearance of your chenille furniture, please follow the simple care procedures below:
- Avoid exposing furniture directly to sunlight or heating and air conditioning outlets. Sunlight and/or exposure to heating and air conditioning outlets will fade/damage chenille.
 - Regularly vacuum or wipe with a soft cloth to remove dust.
 - Fasteners may loosen over time. Periodically check to make sure all connections are tight. Re-tighten if necessary.
-  For item use on wooden floor, hard surfaces or carpets, it is recommended to attach protective pads under all legs and supports to prevent damage/scratches and discoloration.
