36" Round Stainless-Steel Flat Pan With 30" Fire Ring Product ID: DR-SSPR-36HC

Manufacturer: Dreffco Wholesale

36" Round Stainless-Steel Flat Pan With 30" Fire Ring (3/4" Nipple)

A warm, roaring fire glass display is just what you need to add some excitement to your next outdoor get together. The fire will warm the surroundings while the fire glass dazzles your customers and their visitors, becoming the focus of all conversations. However, in order to organize a truly awesome fire glass display your customers will need the right equipment; this includes our 36" round flat burner pan!

Maximizes the Magic

Minimizes the Fire Glass Our 36" round flat burner pan fits into your circular fire pit. This significantly reduces the amount of fire glass you will need for your display because the round flat pan will create the illusion that the entire fire pit is full of fire glass, whereas only the top portion of it is. You get an amazing fire display with minimal fire glass!

Fire Ring Included

We also include an 30" Burner Ring so there is no need to buy any additional parts. The 30" Fire Ring is rated up to 300,000 Btu and is made from 304 stainless steel. Our high-quality fire pit ring burner are designed to delight all onlookers with its amazing flame. The triple concentric ring design increases the overall diameter of the burner, allowing for a truly realistic and evenly distributed flame. Furthermore, the burner holes have been drilled, not punched, which means no whistling noises are produced. Our burner also comes with a convenient 3/4-inch gas inlet for easy connection to a natural or propane gas supply.

Extremely Durable & User Friendly

Made of 304 stainless steel, our round flat burner pans are extremely durable and have been designed to withstand extreme heat and harsh weather without sustaining any damage or rust.
