## CUT TALL SCONCE

WORKSHOP

DA49027

H: 18.5 IN, W: 5 IN, D: 4.5 IN,  
Blackened Steel

The Cut Tall Sconce is a study in circular and cylindrical forms. The Sconce's clear etched-glass shade is reminiscent of cut crystal, offering a contemporary twist on a timeless technique. The long, narrow shade's deeply grooved texture casts beautifully patterned light and shadow. With a focus on material connections, the Sconce's cylindrical glass shade cuffs its blackened steel top, which is suspended from a metal armature, with a draped black cloth cord detail. Damp-rated, although limited covered outdoor areas may affect finish.
