		Spring washer(8mm)	5
		Nuts(8mm)	5
③		Bolts(6*30)	5

④		Washers(6mm)	5
		Spring washer(6mm)	5
		Nuts(6mm)	5
		Caps(6mm)	5
⑤		Spanner	2

Assembly Step

Overview

This Bench has multiple parts and may require up to some 30 minutes to assemble. To give you an overview of the Bench parts, the above picture is to help you put the various parts into perspective. Please read through the instructions below to familiarise yourself with the parts and steps before assembly.

Step 1

Unpack and place all parts onto a clean soft surface.

Step 2

Align the mounting positions on the Seat Panel (B) with the mounting positions on the Right Arm Leg (C) .

Insert the bolts from the mounting positions on the Right Arm Leg(C) to the mounting positions on Seat Panel (B).

Put Flat washers+ Spring washers + Nuts(②) to the Bolts(①), partially tighten all bolts into position.

Once all Bolts and Nuts are in position, use one Spanner (⑤) to hold the Bolt, and the other Spanner to turn lock the Nut.

Repeat the same steps to attach Backrest Panel(A) to Right Arm Leg(C).

Put on the Nut caps(④) after lock the Nut.

DO NOT OVERTIGHTEN.

Repeat the same steps for the Left part.

Step 3

Turn the Bench right side up. Adjust the pre-installed Rubber Caps until the chair is level with the ground , tighten all screws and bolts.

Your Chair is ready for use.

This Table can only be used on a flat, level surface.

Care & Maintenance

-  Do not put hot items directly on furniture surface
 -  Do not clean furniture with harsh cleansers or polish.
 -  To obtain the longest lifespan of your outdoor products, minimizing exposure to direct sunlight is recommended.
 -  Children should not climb or jump on the furniture.
 -  Do not write on furniture without a padded barrier to protect the surface.
 -  To obtain the longest lifespan of your outdoor products, avoid extended and lengthy exposure to rain, snow, and direct sunshine. Whenever possible cover the product and /or place under patio or awnings.
 -  Not for commercial use. For residential use only .
 -  Stains may be removed with mild soap solution and damp cloth.
-
-  Dust and pick-up spills using a clean, non-colored, lint-free cloth .

What is Proposition 65?

Proposition 65 is a California law that requires warning labels on products that may contain one of more than 800-plus chemicals or ingredients that the California Office of Environmental Health Hazard Assessment (OEHHA) has deemed to cause cancer or other reproductive toxicity. Chemicals and elements on this list include wood dust, brass, and other everyday substances, which can be found in very common household items, such as: lamps, tableware, jewelry, crystal glasses, electric cords, beauty products, automobiles, and furniture.

Why Did I Find a Proposition 65 Warning on My Home Goods Product?

We include Proposition 65 warnings on all of our products because there is always a chance that one of the 800-plus common chemicals and ingredients listed under this law could potentially be on our furniture or packing materials. We risk large fines under this law, if we don't include this warning.

Should I worry?

We realize you may be worried finding this warning on our products, but we want to reassure you that the hazardous exposure limits for any of these chemicals have never been found on furniture products that we've shipped to our customers. Additionally, this warning label is very common and can be found on almost every piece of furniture sold in the state of California.

Just How Common Are Proposition 65 Warnings?

Proposition 65 warnings have become so common in California that it is hard to take a trip to a local bank, grocery store, or restaurant without finding at least one warning. In fact, even the Disney Land Resort has a Proposition 65 warning:
