## 70360 • Ocean Waves Table Lamp

27h x 10.5w x 10.5d  
Ceramic/Porcelain  
Blue/Green Glaze

*This ceramic lamp features soothing shades of blue and green, blending together like ocean tides. Its surface is adorned with scalloped protrusions reminiscent of gentle waves, adding texture and movement to the design. A clear base provides a modern, airy contrast, grounding the piece while keeping the focus on its unique and beautiful form.*
