

ASSEMBLY INSTRUCTIONS

1. Attach left and right metal frame (A&B) to seat cushion (C) by inserting 4 screws (E). Only tighten screws enough to make them stay in position.

2. Attach back cushion (D) to the frame (A&B) by inserting 4 screws (E). Adjust chair until stable, then tighten all screws.

3. Check the chair to make sure that the chair is steady and stable. If chair is not stable, loosen all screws, reposition chair until stable and tighten all screws. Make sure that screws are tight and firmly in place.
