

IVORY TRAVERTINE PREMIUM 18X36 VEIN CUT FILLED HONED TILE

The Ivory Travertine Premium 18x36 Vein Cut Filled Honed Stone Tile is a premium travertine with a light tonality, featuring bands of white, cream, and taupe that highlight the stone's natural layering. This vein-cut travertine is filled with a cement-based blend then honed smooth. Adding effortless elegance to walls and floors, each of these large-format tiles is suited to residential and commercial spaces.

TRAVERTINE PREMIUM

With a classic vein cut and warm coloring, our Travertine collection embodies the understated elegance this natural stone is known for. Each cut reveals the intricate sedimentary layers that formed it, showcasing linear veins that range from creamy white and light tan to dark taupe. Its highly textured surface is then filled and smoothed to a matte finish while maintaining an earthy, tactile essence that infuses spaces with natural beauty.
