*Pendant only, measurements do not include chain length.

SPECIFICATIONS ABOUT THIS MEDITERRA PENDANT LIGHT.

Iron Finish- Burnt Charcoal | Glass Color- Aqua This pendant is safe and suited for outdoors, though we suggest when installing outdoors to do so in a covered area. Each pendant includes quality made brass strain relief cord grips installed on the caps of each pendant light and ceiling canopy. These metal strain relief cord grips have several functions along with holding the electrical in place and reduce any tension applied to the cord, they also help to seal the pendant reducing any moisture or water from reaching the electrical socket. We suggest consulting a professional electrician for proper and safe installation.

INCLUDED WITH EACH PENDANT.

- 1 Decorative Ceiling Canopy in matching finish, includes internal mounting hardware. These ceiling medallions are designed to have a simplistic yet modern appearance subtly complementing the pendant and allows for easy installation. Custom ceiling canopies to suspend a cluster of pendant lights are available.
