

Scan the QR code to view the assembly video.

## Important

1. We recommend two people to install it, which will help for easier and faster installation.
2. To complete the installation smoothly, we suggest you to keep a little tightness for all the screws during installation, after finishing the installation, firmly tightening all the screws.

## Thank you for choosing our product.

Please kindly share your reviews if you are satisfied with it.  
If you have any problem about installation or product itself, please contact us.  
We will try our best to solve the problems for you.
