How to operate

PRODUCT WARRANTY

- 1-year limited on leather against splitting, peeling, and/or tearing.
- 1-year limited on internal and external frame structure.
- 1-year limited on cushioning material, seat springs and mechanism.

CARE & MAINTENANCE

Periodic dusting will prolong the life of your leather.

General cleaning can be done with a damp, clean, soft white cloth.

Periodically, a mild leather cleaner can be used on the headrests and arm-rests. This will help prevent buildup of body and hair oils which can harm the leather over time.

For more stubborn stains, a mild leather cleaner can be used or consult a professional leather technician.
