### Recommended Leather Cleaning Method

*If necessary, clean immediately with mild soap (non-concentrated) diluted in lukewarm distilled or purified water on a soft clean towel. Always try to clean in a small hidden area first. This cleaning method is recommended for corrected leathers, not for natural grades of leather. For oil, grease, or stubborn stains consult a professional leather care company.*

# BUNK BED FACTS SHEET & WARRANTY

## BUNK BED FEATURES

We have redesigned and improved our bunk Beds to make them even stronger and safer with these added features:

- Full length guard rails on all sides of the top bunk Bed
- Built in ladders on both sides of the top bunk Bed
- Stronger, larger 1" x 2" side rails
- New patented extra heavy duty reinforced brackets
- All around larger and heavier gauge tubing

**OTHER FEATURES:** Lead free, epoxy powder coat finish that resists scratching or chipping, with high gloss finish in red, white, blue, or black. Heavy gauge large diameter tubing, reinforced patented corner brackets; all required warning labels, parts and instruction sheets.

This manufacturer has taken action to make sure that its bunk Beds conform to current cpsc safety specifications per 16 cfr and astm f

## WARNING PREVENT SERIOUS OR FATAL INJURY

1. When using Beds as bunk Beds, the ladder **MUST** be securely attached to the upper bunk rail at all times.
2. When using the Beds as two (2) separate floor-standing Beds, the ladder **MUST** be stored in a separate location where children cannot use the ladder in any manner.
3. **DO NOT** use, nor permit children to use, the ladder in any manner whatsoever, other than to access the top unit when used as bunk Beds, and only if the ladder is securely attached to the top bunk rail, as set forth in the instructions.
4. Any misuse or unauthorized use of the ladder could result in serious or fatal injury.
5. Failure to follow the above WARNING, and/or failure to follow assembly instructions completely, will void any and all liability of this manufacturer for damages and injury to persons and property.

METAL BUNK BEDS HAVE BEEN TO  
TESTED AND CONFORM TO ASTM F-1427-01
