

# **CRYSTAL LED CEILING LIGHT**

# SAFETY & WARNINGS

- Suggest to ask professional electrician to install.
- Please tear the protective film before installing the lamp.
- After turning on the light, do not touch the light source to avoid injury. Do not use this luminaire in the bathroom or in a humid environment.

# INSTALLATION

## Step 1

Drilling.

**Note:** Wiring does not divide zero line and fire line. Please tear off the film before installation.

## Step 2

Fix bracket.

### Step 3

Fix chassis.

# CLEANING & CARE

- To clean the outside of the fixture, use a dry or slightly dampened clean cloth (use clean water, never a solvent) to wipe the surface of the fixture.
- To clean the inside of the fixture, first disconnect power to the fixture by turning off the circuit breaker or by removing the fuse at the fuse box.
- Use a dry or slightly dampened clean cloth (use clean water, never a solvent) to wipe the interior surface of the fixture.
- Do not use any cleaners with chemical, solvents or harsh abrasives. Use only a dry soft cloth to dust or wipe carefully.
