

instruction for installation

A		angle pipe	4
B		M4 screw	8
C		stele	1
D		chain sling	1
E		Hanging board	1
F		Hanging plate screw	3
G		American hanging bell	1
H		60 pearl strings	12
J		The required quantity of 180 glass sheets is 12 pieces, and the number of spare parts. Measure 13 tablets (1 tablet for standby)	

1. Take out all lamp fittings and wear gloves.
2. Connect the lamp body with elbow and central column as shown.
3. Install the hanging board to the ceiling, and then reserve electricity for the main line of the lamp body and the ceiling. Connect the wires, install the ceiling tray and fix it with flower branches.
4. Install the pearl on the pillar and the lamp hook.
5. Install the glass on the hook of the lamp body.
