

Care And Warning

Do not use this product in extreme weather.

It will cause product damaged directly or shorten product service time drastically in extreme weather.

Bolts can loosen over time. Be sure to check bolts occasionally, tightening at least twice a year.

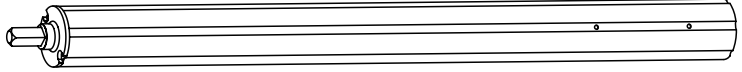

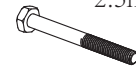

Check all screws for tightness before and during usage of the unit.

Minimum of 2 people is required for a safe assembly of the product.

Do not use strong detergent or abrasive cleaners.

Do not machine wash.

Due to the nature of metal, surface oxidation (rusting) will occur once protective coatings are scratched.
