ASSEMBLY MANUAL

Before Getting Started

- Read the manual carefully before installation.
- Use a sharp tool carefully to unpack, avoid damaging components.
- Remove packaging materials carefully and lift with caution.
- Select a clean, level, and spacious assembly area. Avoid hard surfaces.
- Assemble near the intended placement location.
- Keep hardware and packaging away from children.
- Ensure all parts are present for complete assembly.
- Avoid overtightening screws and bolts.
- Place the assembled product on a stable surface before use.

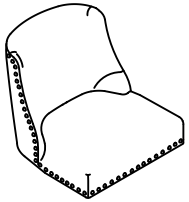

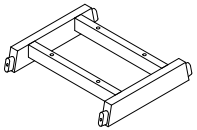

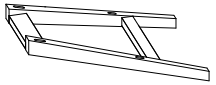

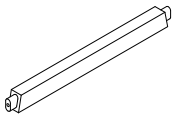

Cleaning & Maintenance

- Periodically check and tighten fasteners as hardware may loosen.
- Avoid direct heat and sunlight.
- Prolonged heat exposure may cause damage or fading.
- Regular vacuuming or brushing removes dirt and prevents soil build-up.

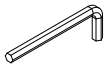

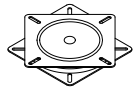

Max weight capacity:300lbs

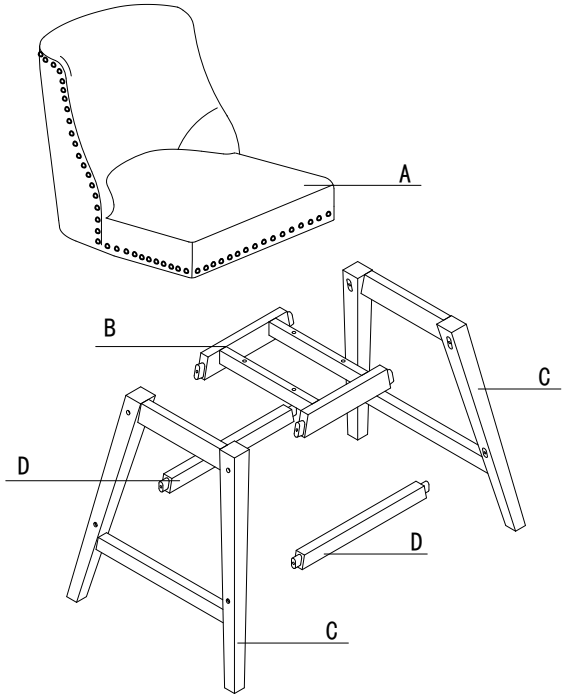

If you encounter any difficulties or have any questions during the process of installation or usage, please contact us via the official email of the purchase channel.
