

A photograph of the interior of a white cabinet with two shelves. The cabinet doors are open, revealing the interior. A silver knob is visible on the left door. Three vertical dimension lines with arrows at both ends are overlaid on the image. The top dimension line spans the height of the upper compartment and is labeled '7 1/8"'. The middle dimension line spans the height of the lower compartment and is labeled '10 7/8"'. The bottom dimension line is a small vertical line on the right side, between the two shelves, labeled '1 1/8"'. There are two circular holes on the upper right interior wall and two on the lower right interior wall.

**7 1/8"**

**1 1/8"**

**10 7/8"**
