

Monticello Tabletop Clock 645754

TABLE CLOCK: The Monticello Table Clock is brass-finished featuring a glass center panel and dial with a circular brushed silver numeral ring to compliment your home decor. The clock's quartz movement makes a soft ticking noise without the use of chimes for a quieter environment.

DURABLE: This indoor modern clock is created to last. It has a sturdy metal frame to relieve stress in a busy household. Place it in your kitchen, office, bathroom, bedroom, living room, and more.

HIGH QUALITY: The classic design shows traditional roman numerals, with IIII instead of IV, to become a home essential. Easily tell time with a black open-cut diamond style hour and minute hands, black second hand, glass crystal, and polished brass-tone bezel to stand out over the dial.

MOVEMENT: It is powered by quartz movement, and requires one AA sized battery. The felt bottom will protect your desk or tabletop.
