All Accessories for Assembly

## Application

It is ideal for use in professional environments such as bedrooms, dining rooms, living rooms, cafes, balconies, office waiting areas, conference rooms, and reception areas. It can also be used in outdoor settings such as patios or decks, providing a convenient place to enjoy drinks and snacks while relaxing. It can also serve as a bedside table, sofa table, corner table, coffee table, end table, or casual table.

## Notes

1. Please do not place anything too hot on the tabletop, and keep it away from sharp, pointed objects and corrosive chemicals.
2. It is important to avoid placing heavy objects on the table that exceed its weight-bearing capacity.
3. Children are not allowed to climb or stand on the product to avoid injury from tipping over. Children are not allowed to assemble the product. During assembly, keep small parts out of the reach of children as they may be fatal if swallowed or inhaled.
4. Please be careful when taking off or putting back the tabletop to avoid pinching hands, especially for the elderly and children.
5. It is important to clean the table regularly with a soft cloth and avoid using abrasive cleaning agents that can scratch or damage the surface.
6. Please allow the slight color difference caused by the shooting light and 1-3cm error due to manual measurement and make sure you do not mind before ordering.
