

Installation & Assembly

- 1 : Shut down the power.
- 2 : Connect all the wiring L/N/G as diagram shows using plastic connector supplied.
- 3 : Attach the mounting bracket to the electrical junction box on the wall using the fixing screw supplied.
- 4 : Fix the ceiling pan securely onto the octagonal board.
- 5 : The lamp arm rotates to adjust to a 90° position.
- 6 : Insert the E12 bulb into the lamp socket.
- 7 : Insert the cream-colored lampshade into the circular component on the lamp base.
- 8 : Turn on the main power supply, and the lights will come on.
