

Limited Lifetime Warranty

•Parts and Finish

All parts (other than electronic parts and batteries) and finishes of HomLux faucets purchased from authorized HomLux sellers are warranted to the original consumer purchaser to be free from defects in material and workmanship for as long as the original consumer purchaser owns the home in which the faucet was first installed. For commercial purchasers, (a) the warranty period is ten (10) years for multi-family residential applications and (b) five (5) years for all other commercial applications, in each case from the date of original purchase. For purposes of this warranty, the term "multi-family residential application" refers to the purchase of the faucet from an authorized HomLux seller by a purchaser who owns but does not live in the residential dwelling in which the faucet is initially installed, such as in a rented or leased single unit or multi-unit detached home (duplex or townhome), or a condominium, apartment building or community living center. The following installations are not considered multi-family residential applications, are excluded from the 10-year warranty and are subject to the 5-year warranty: industrial, institutional or other business premises, such as a dormitory, hospitality premises (hotel, motel or extended stay location), airport, educational facility, long- or short-term healthcare facility (hospital, rehabilitation center, nursing, assisted or staged-care living unit), public space or common area.

Electronic parts (other than batteries), if any, of HomLux faucets are warranted to the original consumer purchaser to be free from defects in material and workmanship for five (5) years from the date of original purchase or, for commercial purchasers, for one (1) year from the date of original purchase. No warranty is provided on batteries.

•What We Will Do

HomLux will repair or replace, free of charge, during the applicable warranty period (as described above), any part or finish that proves defective in material and/or workmanship under normal installation, use and service. If repair or replacement is not practical, HomLux may elect to refund the purchase price in exchange for the return of the product. These are your exclusive remedies.

•What Is Not Covered

Because HomLux is unable to control the quality of HomLux products sold by unauthorized sellers, unless otherwise prohibited by law, this warranty does not cover HomLux products purchased from unauthorized sellers.

Any labor charges incurred by the purchaser to repair, replace, install or remove this product are not covered by this warranty. HomLux shall not be liable for any damage to the faucet resulting from reasonable wear and tear, outdoor use, misuse (including use of the product for an unintended application), freezing water, abuse, neglect or improper or incorrectly performed installation, maintenance or repair, including failure to follow the applicable care and cleaning instructions. HomLux recommends using a professional plumber for all installation and repair of faucets. We also recommend that you use only genuine HomLux replacement parts.
