

Technical drawing of a trapezoidal roof structure. The overall width is 24" and the overall height is 16". The top edge is divided into three sections: 7" on the left, 9 15/16" in the center, and 7" on the right. The bottom edge is divided into two sections: 2" on the left and 20" on the right. The left side is divided into two sections: 7" on top and 9" on the bottom. The right side is divided into two sections: 12" on top and 2" on the bottom. The drawing shows a trapezoidal shape with a flat top and a flat bottom, and a sloped side. The top edge is slightly wider than the bottom edge. The drawing is a technical sketch with dashed lines indicating the overall dimensions and solid lines indicating the structure's profile.
