

# Oval Marble Dining Tables

## Assembly Guide

**IMPORTANT:** please read these instructions fully before starting assembly

**SAFETY AND  
CARE ADVICE**

**NO POWER TOOLS**

- Check you have all the components and tools listed
- Remove all fittings from their bags and separate into groups
- We do not recommend use of power tools - this could damage the unit. Only use hand screwdrivers and Allen keys
- Keep children and animals away from the work area, small parts could cause choking if swallowed
- Make sure you have enough space to lay out the parts before starting
- Assemble the item as close to its final position (same room) as possible
- Do not over tighten the nuts to avoid damage to the threads
- Only clean using a damp cloth and mild detergent. Do not use bleach or abrasive cleaners
- Do not allow children to climb or play on this product
- From time to time, check there are no loose screws in this unit
- This product should not be discarded with household waste. Take to your local authority waste disposal centre
- Unless otherwise stated, this product is designed for domestic use and is not certified for commercial or contract settings.

## IMPORTANT INFORMATION

30 Minute  
Build

Two Person  
Build

Max Weight  
Capacity  
50kg

**Note:** Assembly estimates are approximate and can differ based on the specific environment and user experience.

# WHAT'S IN THE BOX

**Note:** the quantities are the correct amount to complete the assembly. In some cases more fixings may be supplied than are required.

| Label | Part Name | Drawing                                                                           | Quantity |
|-------|-----------|-----------------------------------------------------------------------------------|----------|
| 1     | Table Top |  | 1        |
| 2     | Leg Frame |  | 2        |

| Label | Hardware Description | Drawing                                                                             | Size (mm) | Quantity |
|-------|----------------------|-------------------------------------------------------------------------------------|-----------|----------|
| A     | Connecting Plate     |    | 120 x 20  | 8        |
| B     | Allen Screw          |  | M8 x 20   | 16       |
| C     | Allen Screw          |  | M8 x 25   | 16       |
| D     | Flat Washer          |  | Ø8 x 22   | 16       |
| E     | Felt Pad             |  | Ø38       | 10       |
| F     | Allen Key            |  | M5        | 1        |

Note:

- Use a clear, flat surface to avoid bumps or scratches before assembling.
- Insert all fixings loosely at first to allow for alignment; only tighten them once everything is properly positioned, as some adjustment may be required.
- Avoid over-tightening, as this may damage the parts.
- Seek assistance when moving large or heavy parts

## STEP 1

Align the 4x connecting plates [A] with pre-drilled holes on 1x leg frame [2] and secure using 8x Allen screws [B].

Fully tighten screws with the Allen key [F]

**NOTE:** The Connector plates are not reversible. Before fitting, check the hole depth on each end;

- Deep tapered hole - Attaches to the BASE
- Straight, Flat hole - Attaches to the Table Top

**NOTE:** Incorrect installation will prevent assembly.

## STEP 2

Repeat for the second leg frame [2]

### STEP 3

Place the table top [1] upside down on a soft flat surface.

Align the 2x leg frames [2] onto the table top [1] and secure via the connecting plates [A] using 16x washers [D] and 16x screws [C] - 8 per leg frame.

Fully tighten the fixings with Allen key [F]

### STEP 4

Peel off the backing from felt pads [E].

Align each felt pad with marked positions on the base, then press firmly for 30 seconds to stick well.

**NOTE:** Ensure surface is clean and dry before applying felt pads.

## STEP 5

Carefully, and with help, turn the table over to stand on the base.

Check stability.

**NOTE:** If experiencing any wobbling, slightly loosen the fixings between the legs and the table top. Allow the table to settle into a level position, apply some pressure to the top and fully tighten all fixings.

Your table is now ready to use!

**Please ensure any and all fixings and fittings are FULLY tightened before using this product**

# our 2 year GUARANTEE

Our products come with a 2 year guarantee, giving you extra peace of mind when shopping with us!

## *What the guarantee covers*

### **PRE-INSERTED FIXINGS**

e.g. loose metal threads

### **FAULTY JOINTS**

e.g. legs bending

### **EXTERNAL FIXING FAULTS**

e.g. metal discs removing  
from table top

### **STRUCTURAL INTEGRITY**

e.g. the frame of the  
product
