

DESCRIPTION

Brighton is a simple and sleek style wall fixture with the versatility to be used in any setting and can be mounted horizontally or vertically. This design embraces the simplicity of tubular form with minimal exposed hardware. It has refined cast zinc parts polished to a mirror finish supporting a built-in heat sink inside the glass shade ensuring a long life span to its state of the art JESCO AC LED.

FEATURES

- Unique JESCO AC LEDs eliminates need for driver
- Long life – Over 16 years if used 8 hours per day
- Dimmable using standard incandescent dimmer
- Instant on – no warm up required
- Emitted light produces no heat, and emits no IR or UV
- Eco Friendly – No mercury or hazardous material
- Simple installation
- ADA compliant for wall applications in multiple sizes
